e-Visa Portal

Passport Expiration To apply for all types of visas, your passport should have at least six months of validity beyond your actual travel date. Therefore, you are not able to submit your application if your passport is expiring in less than 6 months.

e-Visa Validity

The e-Visa document displays some information including the validity of the visa. Failure to travel to Kurdistan Region of Iraq during the validity of visa will prevent you from entering Kurdistan Region of Iraq and you will need to re-apply for a visa

Eligibility Checker

Use our visa search tool to enter your citizenship country and travel document type to determine if you are required to obtain a visa or not.

Visa On Arrival

Visitors entering Iraq's Kurdistan Region are advised to take the following steps to expedite the issuance of their visa at the Kurdistan Region's port of entry:

- You have to be citizens of foreign nationals, who are entitled to obtain visas at the border checkpoints.
- Citizens of foreign countries who are eligible for visas at border checkpoints must pay administration fees in Iraqi dinars at airport banking terminals. All visitors to the Iraqi Kurdistan Region must have a passport or travel document valid for at least six months at the time of departure.

The new paperless portal (visit.gov.krd) allows visitors and investors to apply for visas online, and several other systems have been developed with e-Visa to improve border security, therefore, we would like to inform everyone that the KRG UK Representation will no longer process visa applications, however, if you would like to visit Kurdistan Region and need a visa in advance, please follow the link below to the Interior ministry's portal for electronic visa where you can apply online.

Please click this [link](#) to be forwarded to the e-visa portal.
